April 2018 - Now
2 years

Greyfinch

I'm helping over 500 thousand patients access their medical data, and hundreds of doctors get their jobs done productively as a Product Designer at Greyfinch.

Jan 2015 - Jan 2018
3 years

SoftCo

I've helped re-design the financial CRM platform to strengthen Softco's competitive position in a crowded market. The sales of the new version went up by 400%.

Jan 2014 - Now
6 years

Views Tools

The technology layer I've helped design powers an e-learning platform for over 50 million primary and secondary school students across the US.

Jan 2013 - Dec 2013
10 months

Fidelity Investments

I've helped design an internal HR platform for over 50 thousand Fidelity employees world-wide to find a better career path.
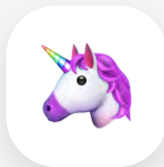

Jan 2009 - Dec 2012
3 years

Ex Ordo

My adventure in UX and Product Design started by helping universities in Ireland to run scientific conferences for thousands of participans.

Nov 2006 - Nov 2008

Dawn of marketing and advertising

May 2000 - Oct 2006

Good old print times
